BANGALORE

Sir,

Subject: Request of Karwar Municipality for the grant of 6-0-0 acres of land out of F.S.No. 239 of Shirwad for compost pits..

~~Reference~~

In submitting herewith the papers of enquiry received under Tahsildar of Karwar's No.FOR-SR-560 dated 22-1-1961, I have to state as under:-

In this case, the President Karwar Municipalit had originally asked for the grant of an area of 2-0-0 acres out of S.No. 239 of Shirwad in Karwar Taluka for compost pits for converting the night soil into urban Compost.

The site has been inspected by me along with the Chief Officer of Karwar Municipality, Tahsildar of Karwar, the D.F.O.W.D.Kanara and the District Health Officer, Karwar and the site inspection note is at page 5 A of the papers. During the inspection, the Chief Officer, of the Municipality stated that the area of 2-0-0 acres is not sufficient for the purpose and that at least an area of 6-0-0 acres may be made available The site is away from the town and is approved by the officials concerned.The necessity of such compost pits is keenly felt as there is no such an arrangement here. The grazing position is adequate as the grazing area is 2616-16-4 acres for a cattle population of 372.There is no local objection for the grant of the site to the Municipality.The site selected is as shown in the sketch at page 7. The occupancy price of the area has been estimated at Rs.10/- per acre - vide panchanama at page 33.

(P.T.O.)

6

Government may therefore, kindly be moved to sanction disforestment of an area of 6-0-0 acres out of F.S.No. 239 of Shirwad in favour of Karwar Municipality for manure pits and the papers returned for further action.

Yours faithfully,

D.C. Signed by the Deputy Commissioner.
